1<sup>st</sup> September 2011

---

### ***Forty Hall***

Woodlands Lake

#### Junior Match

We are arranging a junior match at Woodlands on Sunday 11<sup>th</sup> September.

All junior members are welcome 16 years old and under on the day

Adults are welcome to come along but must not help the junior.

The way it has been fishing of late for Carp and especially for the good Roach should make it a good day for our any juniors

Our senior team took the inter club match four section wins and one second place out of the five sections lets hope the juniors can follow. All help will be given to juniors that have not fished here before. Ring me on the land line in the evening, and I am going to try and be there if we get support.

Give me a ring to book a place

The lake will not be closed on the day but only certain swims will be available depending on the number of juniors.

Remember to fish normally you must book before fishing [ no charge ] you must speak in person no messages

Note ! The car park is now locked nightly, if you are in after lock up you will be there until 7.30am next morning, the car park is not security patrolled or watched over.

### ***Paradise pond***

It is now open for fishing, let me know how you get on.

### ***Passingford***

The pond still awaits new residents negotiations are proceeding but it has to be at least 8 weeks before we can even put fish in and maybe more to actually obtain the right fish

### ***Turnford***

We have placed an order with Fishers pond fish farm for £5000 of carp for Boot pit

The size and number of fish will depend on the delivery time, if they are around the 1kg size this will be around 450 fish.

If you know of any member not getting this magazine please get them to ring me 020 8505 3215
