Work party CHANGE OF VENUE

Due to the non arrival of materials for the swims the work party at Passingford this Sunday is cancelled.

Instead the work party will be at **Paradise this Sunday** where we have done a lot of work but still have more that was scheduled for next week but as the weather looks good we will do it this Sunday.

The second application of Siltex needs to be spread, a couple of swims still need trimming, bit of path clearance and a couple of trees need to come down.

We still need any spare earth

If anyone has any thoughts on work needed please give me a bell on 02085053215 or 07989817316

To fish Passingford, Paradise or Woodlands during MAY you must work at a work party see page 10 of the current Handbook

I suggest you bring, gloves, drink, soap and a towel.

Please phone to discuss any tools you may have that will be useful.
