## BANKSIDE-ON-LINE

Issue 3 - Feb 2011

Two topics this issue, membership 2011/12 and getting our waters ready for then  
It was decided at the A.G.M. that the subscriptions would stay the same for the 2011 / 12 season. The new season starts April 1<sup>st</sup> which as I write is only 37 days away not long when you think Christmas was 52 days ago. Soon be summer, (I think it is June the 1<sup>st</sup> and 2<sup>nd</sup> this year)

We currently have nearly forty anglers on the waiting list but existing members are being contacted first followed by those on the waiting list.

On the ticket this season will be :-

Passingford pond

Turnford pits [4]

Fishers green complex [6]

Forty hall woodlands lake

The lea relief [optional limited number]

The committee is still trying for more waters

Paradise pond is closed at present until further notice with work in progress

The attachment on this mail is the Application form for 2011/12 download asap complete it in full making sure both your address and E mail are clear as we have had trouble in the past contacting members.

This past season using the section on knowledge or skills we have put many members in touch with other members that have knowledge in a field or carry out work of some sort, ranging from finding a plumber to advice on bookkeeping and various members with the same hobbies.

This weekend [Sunday 27<sup>th</sup> ] is the second work party it will be at **PARADISE**, not Passingford as in the Handbook. We have a lot of tree and bush clearing to do so work for all abilities from cutting to bonfire management.

If you have secateurs, loppers, long arm or rakes please bring them, plus gloves and wellies.

8am start to around 1pm sooner we start the sooner we finish

May fishing tickets will be issued for working on work parties

Any information, comments, thoughts or if you have photos or items for sale you can use the link to get in touch and I will try and transfer them to the web site and circulate in the newsletter
