BANKSIDE - ON - LINE – 34

8th May 2012

London Youth games

Waltham Forest is hoping to put a team into the L.Y.G.
They have asked me if we have any juniors interested in this event.
If you fancy trying then give me a bell for more info.

Woodlands Hall Club match

Sunday saw 10 members fish this special event.
Unfortunately the weather over the last few weeks and Saturday night in particular did all it could to kill the fishing. The beginning of the week had seen the water flooding in from the stream faster than the outlet pipe could cope and the water covered swim 14 and flowed over the bank by swim 1. The water was thick and muddy at the top end clearing slightly as it travelled down toward the outlet. Apart from roach only three anglers saw Carp.

Geoff Agombar	2 fish for	17.08 pounds
Rob Parry	2 fish for	17 pounds
Terry Barton	1 fish for	8.04 pounds

Next year I will try and book it later into the "summer"
