## BANKSIDE - ON - LINE – 37

9<sup>th</sup> June 2012

### **June meeting**

This Tuesday 12<sup>th</sup> will be the new date for the monthly meeting.

### **River season**

Next Saturday sees the start of the river season, this rain whilst not what the still water angler wants it should put colour in the river and hopefully get the fish searching out for food having used up extra energy moving around in the flooding water.

### **Fisheries**

Turnford. Terrible weather this week but as you can see if you are on our 'Facebook' Carp are still feeding, Jayne with a 24lb fish. Not the biggest fish by far that she has banked from Turnford

Woodlands Still fishing really well probably our most consistent water over the last few weeks. It seems less affected by the up and down weather.

Remember to book (no cost) before visiting

Paradise. Still has not really come to life yet.

Passingford as reported in earlier issues we have been unable to progress with stocking, it looks like it will now be wintertime before we can move in fish.

Guest tickets purchased for Passingford this season will be valid for next season.

Fishers green. No reports from the lakes.

Lea Relief Channel. I still have a few tickets left. See Handbook page 39.

All rivers are closed until 16<sup>th</sup> June. Next Saturday. Not long now

### **Outings**

The results for Colemans are on the website, 'Outings' page.

Sunday 10<sup>th</sup> (tomorrow), we are at Pea lane full details are on the website 'Outings' page

### **Work party**

There is a work party arranged at Fishers Green for this Sunday 10<sup>th</sup> meet in the middle car park around 8.30. Book in on arrival. Last minute tidy up of the river before next Saturday. Good change to check out the swims.

Phone for details 02085053215 - 07989817316

### **Membership**

This edition of B.O.L. has hopefully gone out to all those 2012/13 members that have an E mail address if you know of any member with an E mail that has not got the magazine please contact me asap.

### **Interclub match**

At the end of next month we have a match held at Woodlands between the member clubs. Last year we won. This year we want to keep the title so I will be looking for a team of 5 members that have fished and know a bit about the water and its inhabitants, let me know if you are interested.
