Paradise lake [Warlies] Work party

Quick message to all those attending the work party tomorrow [Sunday 27th] the banks are a bit slippery with the rain today so boots are advisable.

Tools- if you have secateurs, loppers even chainsaw all will be welcome as it is all horticultural work.

The weather forecast is good for Sunday

Hopefully get started at 8am and we can be finished around midday so as to get home with some of the day left.

2011 / 2012 membership

Anyone with renewal forms completed can bring them along to the work party.

We have a meeting next Tuesday [1st March] where forms etc can be brought in to the Membership secretary

The membership packages will be sent out as soon as the Turnford and Fishers green cards are ready which at present is the third Tuesday of March unless I can get things up.

Anglers on the waiting list will be contacted once existing members have been given a chance to send in their forms.

Any information, comments, thoughts or if you have photos or items for sale you can use the link to get in touch and I will try and transfer them to the web site and circulate in the newsletter
