Work Party

This Sunday 17th March we are hopefully at Forty hall Woodlands lake if conditions there are against us we will go to Warlies Paradise lake where we had a fallen tree off of the island that we could not get to last time we have pulleys etc. but a few hands on the end of the rope won't go amiss..

Due to the changing weather check on the web site Saturday pm for any updates or feel free to ring me after noon Saturday to find which we are going to.

I have someone checking out the conditions for getting afloat in the morning

Bring wellies, drink, gloves, towel, and any tools you may have for pruning

Give me a ring to let me know so I can arrange tools etc.

As usual Start 8am till around Noon

Work parties are important please make the effort.

Old river Lea

A 3lbs Perch joined the party along with a 9lbs pike both on small sink and draw sprat in the jungle of trees. Closes Thursday
