Woodlands club day

This Sunday we have the whole lake booked for Hollow. We have a friendly match aimed at all members. As the match guys are all on other venues it should be good for all us mortals. At the moment I still only have a couple of names and with the weather looking like Sunday is going to be the best day of the weekend I hope a few more new faces will be on the phone.

Match scene

At last we seem to be into summerish weather and the catches are improving along with the turnout, 28 at Arrons.

The next outing is Newlands hall on the 19th.

All future outings are on our web site '*outings page*' with directions, times etc. and also in the Handbook along with the simple match rules.

We are a friendly bunch intent on having a good days fishing with a few laughs along the way. Anyone interested in giving it a go ring me.

E.A. Licence

A reminder that EA licences run from 1st April with fine up to £2000 possible

Post office, by phone or on line. They can be done by Direct debit which solves the problem year on year. Contacts details are in the Handbook.

Work party 9th Jun - Fishers Green

A little way off but this is an important one as it is just before the start of the river season.

Paradise lake

Still has not starting showing any signs of waking up. We have seen various fish on the surface but they don't seem interested in feeding.

Anyone fishing there can they please let me know how they get on.
