25th Feb 2014

Work parties

This Sunday 30th sees a work party at Paradise lake [handbook page 16]

We will start at around 8am and hope to finish before noon.

There are two trees floating in the water that have to be pulled out and a selection of branches, twigs that need burning.

So pyromaniacs with big muscles welcome.

We have a party on 23RD March at Turnford.

If needed we will put one in before then as there is still work to do at Woodlands but we need dry weather to firm up the track down for the boat trailer

Match scene

The 2013/14 season has now finished and we are preparing for the 2014/15 season.

Will those holding a trophy from last season please phone me to arrange their return.

All the venues for 2014 are now booked [see attachment] and will appear on the website shortly.

The venues that we visit are all well stocked fisheries giving very good sport.

The matches are run on a friendly basis, with anglers of all level and abilities taking part so think about it give me a call to chat about it more.

Fisheries

Fishers Green

Despite that high water levels anglers have still been on the bank fishing in close and putting fish on the bank ranging from 3lbs Trout, 6lbs Chub and Barbel from 6" to 11lbs. The small fish that have turned up is a good sign that they are either breeding or the fingerling stocked last year are surviving.

Turnford

Few anglers on the bank some days no fish with three or four anglers other days same number of anglers but five fish the heaviest 35lbs.

There was a litter picking two weeks ago that collected over 6 large bags of rubbish, it looks good now, please ensure you keep it that way.

Hope to see you Sunday and on an match
