We will start at around 8am and hope to finish before noon.
Boots and gloves all that's needed we will have tools
Please ensure you book in with John Belloni or myself

The next work parties will be on 30th March at Fishers Green and Woodlands

Urgent call

This Wednesday 26th we have the opportunity to get some serious work done at Fishers Green I have arranged with the parks a midweek party where they will do some heavy work if we give a bit of muscle power on ropes etc Please try and help, we all moan about the work or lack of it now we have a chance to get some heavy chainsaw work etc sorted, we will even have a boat with luck.

Anyone with winch or turfer, etc ?

Fisheries

Fishers Green

The river and relief channel are now closed until the 16th June but the pits are open. There have been a few pike coming out of late but with all the mud and coloured water especially on Langridge not many anglers have ventured out.

Turnford

With the warm spell the fishing has continued to be the best early spring for some time no ice or frosts to contend with.

Woodlands

Just two weeks to go now till the 1st April.

New membership cards will be needed and a phone call to book. Book early

You don't have to book a certain swim we only allow 6 members at a time

Paradise

Hopefully with the good weather we are getting the milder nights we might see the carp start to move around using up a bit of energy and needing to feed, if we get 5 c water temps overnight they will even start to think of spawning and more reason to feed.
