Work parties

This Sunday 20th April we have a work party at Fishers Green

We need all the help we can get.

We will start at around 8am and finish around noon.

Meet at 8am in the middle car park moving up to the top car park for 8.30am

The aim is to finish off the swims above the top car park that we did not get time for last time, the top three swims on the channel and given enough manpower start on the swims between the middle and top car parks.

Boots and gloves and enthusiasm is all that is needed

Please ensure you sign in with me at some point during the day

Fisheries

Fishers Green

The river and relief channel are now closed until the 16th June but the pits are open.

The warm weather has seen a few on the pits, Seventy and Hooks marsh producing Tench and despite the secret squirrel on Langridge the Carp are on the move.

Turnford

The good start to the season has continued with fish to 40lbs plus being banked,.

Many of the fish have been photographed on the Facebook page 'slipe lane pits'

Woodlands

In the first two weeks nearly everyone has had multiple catches of Carp.

New membership cards will be needed and a phone call to book. Book early

Fishing without booking will result in a ban when bailiffs returns are examined

Paradise

Nobody has reported back on visits here so not sure if the fish have woken up yet

The New River,

The Old River Lea,

The Relief Channel [RSA]

All these running waters are classed as rivers and are closed until 16th June
