Terry Barton

The funeral of Terry took place on Tuesday at Weeley near Walton on Naze.

It was attended by his wife and close members of her family.

The Society was represented by six members.

After the funeral a buffet was held where Colin on behalf of Terry's wife thanked everyone for coming

E.G.M

An EGM is called for 3rd June.

This is the same as the normal Society meeting night

The reason for the EGM is the election of two new positions following on from the loss of Terry

The two positions are that of Chairman, and Membership secretary.

Anyone wishing to put themselves forward should do so to me the Secretary by return Email and attend the EGM. On Tuesday

Work Party

Just a quick reminder this Wednesday 28th we have another joint operation on the river with the Parks Fisheries Team.

As before they will have the boat out and the power tools doing whatever we want, mainly the things we are not allowed to do under the terms of our lease

Manpower needed on the ropes and cutting up the trees etc. as they are pulled onto the bank.

Meet middle car park around 8.30am, boots, gloves small tools if you have them but we do have a good selection

Following on we have the next scheduled party on this coming Sunday 1st June

No Parks on this one so it will be bank clearance in the main as we are not allowed into the water.

Meet middle car park around 8.30am.

Boots, gloves small tools if you have them, hand scythe would be good, but we do have a good selection

Somebody asked on the last work party could they bring a friend to help next time

YES, YES and YES AGAIN, - PLEASE !!

Please ensure you sign in with me at some point during the day

Fisheries

Turnford

Still producing lots of fish from Railway One member Billy Hedges banked 5 fish out of 11 runs up to 32lbs all in one visit, photos on facebook

Boot pit is picking up week by week with many catches of fish up to mid teens common

Be warned bailiffs have been very active with several members receiving bans for off rods for illegal parking and leaving the gate open etc., make sure you read understand the rules then address and sign your card

Woodlands

More anglers are visiting the water and as a result more fish are appearing on the bank
 Reminder - Fishing without booking will result in a ban when bailiffs returns are examined

Paradise

On my visit I saw several fish moving but the nearest I came was a massive rap around of my rod but nothing after, most likely a liner as the fish caught it's fin on my line

Rivers

All the running waters are classed as rivers and are closed until 16th June
