Membership renewals.

As mentioned in the last issue our season is coming to an end this month.

Environment Agency licences end at the same time.

To re-join the Society go to our website and on the membership page is a link [yellow box] to print off a renewal/application form.

Environment Agency licences can be obtained on line, by phone, at the post office. Using the direct debit system available saves forgetting and getting caught, this year we have had two members forgetting and looking at a court appearance

Work Party

After being castigated for booking a work party on Mother's day last Sunday I have cocked it again as we have two on the same day this Sunday.

We have both Turnford and Forty hall. At least good weather is forecast.

Each club in the Turnford Consortium has to provide a work party team on one Sunday, this is our day. Good time to learn about the pits from some of the old hands there.

Let's see some of you guys that fish the pits on Sunday.

Meet 8am in the car park finish by noon. Any tools you have plus gloves and enthusiasm.

If there is anything you would like to see done now is the time to let us know.

Watch our Web site 'news' page for more info nearer each scheduled party

Woodlands Sundays March 22nd
