Bailiffs

On the 1st April we had a meeting for bailiffing at Turnford.

A good turnout of about 20 interested parties and Mr Stewart Clinton is set to take over from John Beloni standing down due to his health problems.

Bans

We have just had our first member banned at Turnford for being off his rods.

If in doubt over any rule give me a call before you are banned , we don't want to ban anyone we just want everyone to have a good safe day fishing on any of our venues.
