

# HOLLOW ANGLING SOCIETY

## BANKSIDE - ON - LINE - 7

225<sup>th</sup> March 2011

---

### WORK PARTY

**The work party this Sunday is at Turnford start 8am – 12 “ must book.”**

This is the last chance to get a May fishing ticket for Forty hall and Passingford. Litter picking will be the order of the day, so come prepared with gloves and if you have them long arm pickers and a couple of black bags.

**Phone now to book a place and ticket. 02085053215 or 07989817316**

Two work parties now completed at Paradise and a lot of the trees cut back to reduce the leaf fall next autumn. We now have to apply the Siltex and then see about what is needed in the way of restocking.

Passingford was worked on last Sunday and the fishery looks really nice with the paths cleared all round.

### MEMBERSHIP

Our new season starts April 1<sup>st</sup> so new membership cards are needed and we need time for cheques to clear.

When your new package arrive please check it out and read your Handbook and sign it. All the cards must also be signed

### FISHERIES

Two new fisheries on the book for this season The New river opens on the 16<sup>th</sup> June whilst the Woodlands lake at Forty hall starts 1<sup>st</sup> April.

Forty hall will work on a booking system each club has six swims each day so any member wishing to fish must phone me before, bookings will be taken starting seven days before planned visit.

Anyone fishing without a booking will receive a ban, and anyone booking and then not using the booking without cancelling the latest the night before will also not be able to book again until the night prior to a visit.

A walk around the fishery this week saw plenty of fish on the move so lets hope the warmer weather holds for a few weeks.

Passingford was poor last week but this week again with the sun putting in an appearance fish were on the munch and two members had a good day with Rudd and Roach to a pound banked and the first Tench of the season.

The river Lea, and both relief channels are now closed until 16<sup>th</sup> June but the pits at the Green are open 24hours a day all year round. A good number of Pike have been banked in the last month.

Turnford is also starting to wake up Carp and Bream showing an interest in feeding.

### ***Paradise Fishery remains closed for now***

I still want to know of any member not on line and therefore not getting this magazine, if you know of any member in this position please ask them to give me a ring

Any information, comments, thoughts or if you have photos or items for sale you can use the link to get in touch and I will try and transfer them to the web site and circulate in the newsletter
