Membership renewals

This magazine is going out to all on the old season and this season members listings so you may have already renewed your membership. If not print off an application form from the attachment with this mail and send in to the address on the bottom of the form Any queries on any of the memberships of Hollow or LAA [see below] give me a call

Work Party

Good party today with the four boys from the Fisheries dept. at Fishers Green. Opened out the swims down river from the bailey, beautiful now to run a float down through the streamer weed starting to grow either side of the deep channel.

This Sunday 17th May sees another work party at Fishers Green where we will try and do work on the secret and dustbin swims plus work on the undergrowth that has proliferated with the rain followed by the sun.

Meet middle car park 8am finish noon latest. Usual Ethos 'get in - get on - get home'

Still to come - Fishers Green Saturday 23rd May - Sunday - June 14th -

We hope to get another midweek party watch the website and the Facebook page

Bailiffs

Stu Clinton our new Bailiff Co-ordinator at Turnford has now sorted out the bailiff rotas for the coming season at Turnford but says he still has room for more members willing to do a rota each month to suit their availability. Give me a call if you want to know more.

Bans

We now have three bans in total 2 at Turnford and 1 at Fishers green

Be warned the bailiffing is on the ball now which is better for all who follow the rules

London Anglers Association

As stated before we are now affiliated to the LAA. Attached is an application form via the Hollow Angling Society giving reduced rate membership www.londonanglers.net

Forty hall Woodlands lake

At the AGM the motion to open the lake for twelve month of the year was passed so from this coming winter the lake will remain open booking will be required- see page 14 -

Fishers Green

We now have three sets of steps and platforms between the foot bridge and the road bridge with one more still to come. These swims were very popular and good producers up until a couple of years ago when they became too dangerous to use

Royal Small Arms

As many of you know the RSA has had a few problems but after a meeting with the EA and the Canal and Rivers Trust we have agreed to support the RSA club and once we have sorted out a few details on finance and access etc. we should be again offering tickets as before. Watch the web site for progress reports.
