Secretary's ramble

Hi everyone, sorry that I have not been keeping you all up to date but I am currently laying in a straight jacket counting the marks, cracks, squares on the hospital ceiling. In the mean time a big thank you to my son sorting out the connections etc. and to my neighbour, a club member, who has stepped into the gap to sort out memberships, something that with the start of the river season has picked up after a lull.

Membership renewals

Print an application form from the membership page of our website (yellow box) and send in to the address on the bottom of the form, Derek visits and picks up the forms daily and deals.

Any queries on the membership of Hollow AS give Derek a call 07701 356 895

If you have a query on any other matter or the LAA you can still give me a bell I am glad to hear real voices not just the ones on the ward 07989 817 316

London Anglers Association www.londonanglers.net

As stated before we are now affiliated to the LAA.

Give me a call if you are interested.

Bailiffs

We now have two bans in total – One at Turnford and one at Fishers Green

Be warned the bailiffing is on the ball now which is better for all who follow the rules.

Fishers Green www.fishersgreencon.co.uk

Sunday 14th June sees the last of this seasons work parties at the Green, the work planned is on the undergrowth around swims that has proliferated with the rain followed by the sun.

Again I will not be able to make it (mind you a few days yet I never say no) please take any tools suitable for cutting down mainly soft growth, scythes, hooks, shears.

If anyone wants to take charge and we can liaise to pick up my tools bell me 07989 817 316

Meet middle car park 8am finish noon latest. Usual Ethos 'Get in - Get on - Get home'

We still hope to get another midweek party watch the website and the Facebook page.

Only days now to the river season, time to check your lines oil up the reels and generally try and remember what you thought you would do different this season.

Royal Small Arms ([new website under construction](#))

Our talks on reviving the RSA are going well all looks on track for the new season.

The club house is a separate operation now, however the new tenant (Graham) is planning on extending the opening hours and serving food and drinks all day, he is well sorted in this area having run other cafes including the café where the Old English Gentleman stood, this is good news as we will be able to have a breakfast before fishing or knock off for a tasty lunch and a beer to wash it down. He says a warm welcome will be waiting.

Forty hall

At the AGM the motion to open the lake for twelve months of the year was passed so from this coming winter the lake will remain open, booking will still be required, see page 14

Future

Hopefully I will see some of you if I get back to bailiffing in the future
