Secretary's ramble secretary@hollowanglingsociety.co.uk

I am still unable to take on most of my duties, but thanks to the lads on the match squad for sorting out the running on the matches. A thank you to Derek for looking after the memberships Ron for bookings at Forty hall and finally to Darren for keeping all the websites Hollows, Fishers Green and Turnford running.

Forty hall Consortium challenge shield

September 6th sees our annual interclub match at Woodlands Lake.

We are current holders of the trophy having won it on two of the last three matches

Anyone wanting to take part please give Ron a ring as he is running it in my absence 07701 356 895.

London Anglers Association www.londonanglers.net

As stated before we are now affiliated to the LAA.

I am surprised by the interest that there has been with over 10% of the membership taking on LAA membership. With the numbers fishing the river at FG does this mean a start of a move away from the Carp waters that have been the mainstay of much fishing in the last few years.

This interest has resulted in us putting in a team for the LAA shield match.

This is fished by a team of six anglers fishing 3 different venues, canal, river and lake on 20th September.

Two anglers on each venue Berkhamstead, Rye house and Stollies lake

Give me a call if you are interested in the LAA.

Turnford www.turnfordac.co.uk

Three more anglers have found themselves with bans for rule breaking at Turnford thankfully not from our Society but be warned read your cards again before venturing out bailiffs are reporting only serious contraventions at the moment and giving verbal warnings for minor infringements for now.

The fishing has varied with the weather with some good fish reaching the bank

Be warned the bailiffing is on the ball now which is better for all who follow the rules.
