There will hopefully be some weekday parties at Fishers when the lads from the LVRPA Fisheries get the boat out. Usually these are short notice. Watch the website and our Facebook page.

The last two work parties have been very poorly attended we really need more help. There are jobs for all abilities and apart from improving your fishery you can learn a lot from the faithful ones that always turn out and also fish it regularly

### Membership renewals.

I have now got the new Handbooks and the various fishery cards all in and they will start to be sent out this Monday.

If you have not downloaded your copy of the application form one is attached

### London Anglers Association

Hollow AS is affiliated to the LAA giving any of our members the option to join at a reduced price membership to fish all of their fisheries, see [www.londonanglers.net](http://www.londonanglers.net) for their venues

Copy of the form needed showing the cost is attached

### Turnford

Despite the relative mild winter albeit somewhat 'damp' the numbers on the bank have been down. A good number of fish have found themselves in the net

At the end of this month the summer ruling re umbrellas on Boot comes into force

This is strictly No side flaps throw overs just good 'old fashioned' umbrellas

### Fishers Green [www.fishersgreencon.co.uk](http://www.fishersgreencon.co.uk)

As mentioned above the River and Channel is closed from Monday 8pm, however the pits are open all year round 24/7

### Forty hall

Woodlands lake is now open all year round, booking still applies ring Ron on 077010356895
